

FINEST GERMAN
TRIMMINGS

QUALITY

Since 1882

Since our company was founded in 1882, we have been creating the finest trimmings for use within the luxurious interior decoration market. We are a specialist German company with a long tradition and with extensive experience in the production and design of high quality customised trimmings.

IN GERMANY'S PAST, TRIMMING WAS A SIGN OF LUXURY

trimmings represent an outstanding combination of classic elegance, country house style and fashionable decorative textiles. With 125 years of experience, we are familiar with design influences around the world. is characterised by a wide-ranging choice and variety of designs and materials.

BACK IN FASHION

A TOUCH OF LUXURY

Trimmings are enjoying a tremendous revival. Curtain and drape makers are adding trimmings and passementerie to their creations for an entirely individual look.

Trimmings are a beautiful way to individualise your window dressing and enhance your surroundings.

ADORNMENT FOR
DECORATION

Living with luxurious materials and on trend styles give our surroundings a sense of serenity. Trimmings and tassels provide the decisive accents and underline the exquisite quality of fabrics.

TIMELESS ELEGANCE

We keep up with market trends and change our designs according to the demands of our industry.

NATURAL SOPHISTICATION

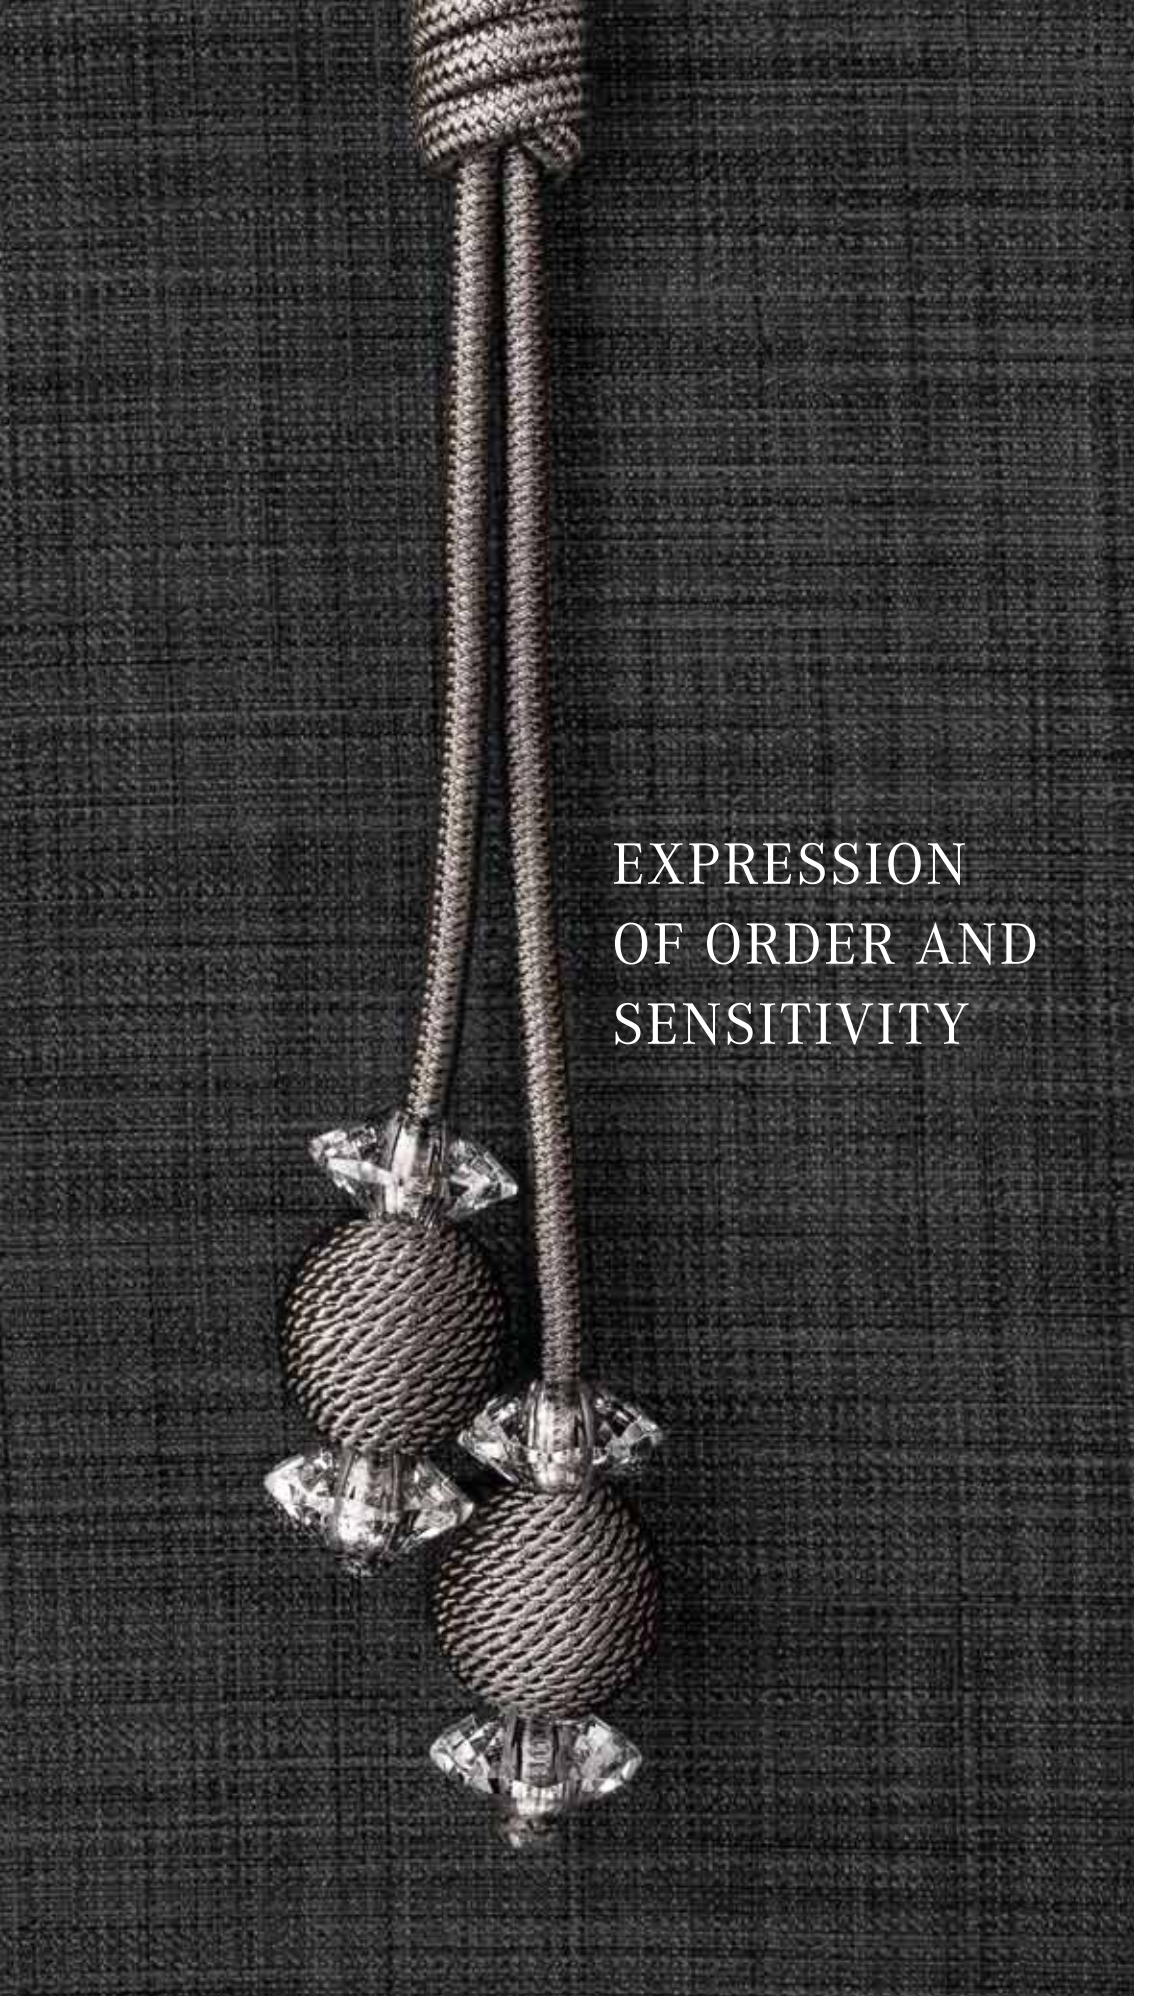

Earthy tones and dark nuances lend the room its intended seriousness and pleasant gravity.

TWISTED LOOPS

A decorative cord made of a light-colored, braided material. The cord is knotted at the top. It features two spherical ornaments made of the same braided material, one above the other. Each sphere is flanked by a clear, faceted crystal. The cord ends in a third crystal at the bottom. The background is a dark, textured fabric.

EXPRESSION
OF ORDER AND
SENSITIVITY

The sensually easy way to decorate.

INDEPENDENT
