SANTORINI

Inspired by the natural beauty of Grecian islands, the Santorini Collection presents a quintessentially Mediterranean range of prints, damasks, and tactile jacquards. The collection's painterly watercolour designs are presented on a linen-look fabric for a laid-back, rustic finish, with complementary weaves working alongside tile designs for a cohesively Grecian look. A palette of washed cobalts, muted corals and soft teals capture white-washed Aegean shores, presented with sandy tones and shale grey hues for a contemporary take on the Mediterranean theme.

PORTOFINO

Luxury and laid-back living go hand-in-hand in the Portofino Collection. An ode to the jewel in Italy's crown of resorts, the collection incorporates a sophisticated range of stripe, check, and small-scale weave designs showcasing pops of colour, encapsulating the rugged Italian coastline. Emulating the vibrant colourways of the Italian Riviera, cobalt blues, vibrant citrons, and soft pastel palettes take centre stage, inspired by high fashion. Muted grey and natural hues complement Portofino's vibrant colourways for a contemporary take on the laid-back Mediterranean look.

NEW FOREST

Invite the outdoors in with the New Forest Collection. Encompassing six elegant designs, the collection features intricate, hand-drawn illustrations of whimsical flora, fauna, and sprawling pampas, complemented by a palette of serene hues ranging from delicate naturals to sage greens. Textured chenille designs and a sophisticated stripe embroidery provide a luxurious twist on the whimsical theme, whilst the collection's PT Eco prints are presented on a textured cloth for a naturally rustic finish. New Forest is both inspired by, and conscious of, the earth's natural elements.

MARRAKESH

Inspired by the vibrant culture of Morocco, the Marrakesh Collection presents an intriguing variety of textures, ranging from tactile embroideries and jacquards to luxurious chenilles. Featuring intricate basket-weaves and vibrant geometric designs, the collection's elegant designs present a luxurious sheen throughout, complemented by the Secret range of versatile plains suited to a number of interiors. A decadent palette of rich, jewel-like tones anchors the Moroccan theme, ranging from deep shades of ruby and golden saffron hues to vibrant turquoise colourways.

PALM SPRINGS

Taking inspiration from the laid-back Californian lifestyle, the Palm Springs Collection presents a fun and confident range of PT Eco prints, presenting painterly designs of vibrant buildings, conversational beach scenes, and sprawling palm leaves. An intricate, small-scale palm tree embroidery complements the collection's vibrant prints, accompanied by on-trend colourways ranging from soft lilacs and deep-sea blues to cool greys, for a contemporary, versatile, and trend-led take on the Californian theme. Pair with white accents for the perfect backdrop to the collection's joyful designs.

MOONLIGHT

A tactile mix of jacquards and velvets inspired by glistening waters, the Moonlight Collection incorporates ripple waves, metallic highlights, and delicately embossed velvets in a rich and decadent palette. Metallic overprints and raised designs work cohesively to emulate the reflective surface of water, with the collection's embossed paisley design anchoring the opulent theme. In a palette ranging from neutral tones to vibrant metallic hues, Moonlight's luxuriously versatile collection of designs make themselves at home in any décor scheme.
