

— Spring Summer 2022 Collections —

# INTRODUCTION

*BEGIN THE YEAR* with a refreshing mix of energetic designs and calming tones from [REDACTED] new collections, imbued with velvet tropics, watercolour prints and textural mid-tones.

Be inspired by lively landscapes or go bold with striking geometric patterns for a fresh update in any interior. The new collections present an array of designs and fabrics with sophistication and confidence in mind with trend-led designs and timeless classics for year-round use.

From tactile embroideries and captivating sheers, to printed velvets and pearlescent plains, immerse yourself into the collection's expressive options to match your interior needs.

Explore the collection to influence future interior ideas or get ready to invigorate your space for the year ahead...

# MAHARAJA

*INSPIRED BY* the bold and colourful palette of Indian summer, the Maharaja Collection offers a series of conversational print designs featuring hand painted elephants, statement trees and multi-tonal abstracts. Further capturing the theme, the collection incorporates cleverly disguised birds, henna-inspired florals, as well as textural embroideries for a painterly effect. Introduce a haven of colour to any space with an uplifting palette that emulates the blossoming nature and grand festivities of India.

# MONSOON

OFFERING A *STYLISED* take on the ever-popular tropical trend, the Monsoon Collection incorporates a vast range of designs, from richly hued printed velvets, playful leopards, and complementary jacquards for a textured finish. Dimension is created with statement leaf prints and metallic foil highlights, adding a captivating finish. The decadent tones of the collection anchor the theme and bring added luxe with rich greens, deep reds, and dark charcoals that allow for a confident and sophisticated maximalist look in any space.

# EZRA

*THE EZRA COLLECTION* alludes to the revival of 70s fashion with graphic geometrics in statement colours and optical illusion effects, across chenille and satin jacquards. A distinctive element is created with sculpted chenille fabrics giving a raised look and multi-weave techniques to incorporate texture. Enriched with small scale geometric prints, the designs feature energetic and contrasting hues that are reminiscent of the theme, from mustard yellows to cornflower blues.

# CRAFT

*EVOKING A CALMING* home environment, the Craft Collection takes inspiration from natural textures through embroideries, weaves, jacquards, and sheers, incorporating warm-toned fabrics for a cohesive feel. Tactile three-dimensional elements are created with crewel work embroidery and a tufted polka dot, with semi-plain textures making for ideal layering within the home. Craft embraces softer hues of warm neutrals, fresh greens, and cool silvers, enhancing a balanced interior.

# ENGLISH GARDEN

IN A NOD to traditional gardens, the English Garden Collection features botanical and conversational prints that celebrate the feel of country living. Painterly trailing floral designs bring pops of colour whilst stripe and check weave fabrics enhance the quintessential country look. Sophisticated watercolour motifs of greenhouses and gardens in full bloom captures much loved hobbies, offering an inspiring and joyful interior scheme. Presented in a palette of seasonal hues, English Garden offers rosy pinks and vibrant greens that follow through to Autumnal sage and orange.

# YORK

ENRICHED WITH a series of luxurious shades, the York Collection offers soft chenille fabrics with a subtle metallic sheen for a dimensional finish. From deep plums to neutral oatmeal shades, the collection exudes timelessness for all interior needs.

# GRANITE

*TAKING INSPIRATION* from distressed metal work and stone textures, the Granite Collection encapsulates sophistication with a semi-plain fabric in pearlescent shades that offer a subtle sheen for a refined finish. The collection features an array of soothing tones from staple greys to soft lilacs and muted rusts for an effortless addition to accessories and drapery.
